User prompts

01 Mobility breakdowns

Bus delayed and is getting dark. My battery is 12%. I need the safest way out or sleep under $10

There's a train strike. The taxi is too expensive. I need carpool or local bus alternatives ASAP. I have heavy luggage

02 Arrival and accomodation

I landed late and the hostel is closed. I am alone at the airport. Find a safe 24/7 alternative nearby <$20

The hostel is abandoned, I have no SIM data and it's raining. Find the nearest walk-in bed with Wi-Fi

04 Situational risk

The taxi driver refuses the meter and demands double price. I feel unsafe. How do I de-escalate and pay fair?

I need an Uber but Wi-Fi needs local SIM for OTP, I'm stuck at terminal. Where is the nearest honest SIM shop?

05 Border crossing

At border, the officer needs printed flight proof, but I only have PDF. Where is the nearest printer? Is this a scam?

I am at the Cambodia border. The visa is $30 and I only have EUR/Local cash. The exchange rate is a scam. Where's the nearest USD ATM?
